

# Practice Questions for OLSAT 7th Grade Level F

Ellen was baking cookies for her mom's party. She didn't want to do the chore and didn't listen very well when her mother told her how many cookies she needed. She knew it was in dozens and it was more than 3 but less than 10. She was sure it was an odd number that was divisible by 3. How many dozen cookies did her mom expect her to bake?
