

Name \_\_\_\_\_

Date \_\_\_\_\_

Cut out the pattern block shapes from the bottom of the page. Color them to match the key, which is different from the pattern block colors in class. Trace or draw to show what you did.

Hexagon—red    Triangle—blue    Rhombus—yellow    Trapezoid—green

1. Use 3 triangles to make 1 trapezoid.

2. Use 3 triangles to make 1 trapezoid, and then add 1 trapezoid to make 1 hexagon.

3. How many squares do you see in this large square?

I can find \_\_\_\_\_ squares in this large square.

## Answer Key

1. Drawing of trapezoid made with 3 blue triangles
2. Drawing of hexagon made with 3 blue triangles and 1 green trapezoid
3. 30
