

Name: \_\_\_\_\_

An author often tells readers how a character looks and acts. It helps readers see and understand the character.

Describe the following character by writing a paragraph. Include any of the personality traits that you want.

## **A flying horse**

Personality traits: strong, smart, energetic, beautiful.

Be sure to tell the color of the horse, including its eyes, mane, tail, and its size. You may also tell how it moves and the way it moves. Tell enough about the horse so that the reader can see it.
