Make a Certificate

You are a great person! There are lots of great people in your class. Create a poster to give to someone in your class that highlights something they do well. Remember, you want to help others feel good about their accomplishments.

Use the template below to design a potential certificate. Add clip art if you want and change the fonts to make the certificate look official.

--	--	--

Have fun in making your certificate, but make sure you are giving something that is funny to all or an actual accomplishment.
