

Name _____ Date _____

Fill in the blank with the correct word and inflectional meaning.

When I was only four years old my family had to move to a new city. My dad got a new job and we were _____(past tense ask) to move.

I had to help my mom pack lots of _____(plural box). I even got a special box to put all of my _____(plural toy) into one day. The box was large and had my name printed on it.

Then a group of men came and _____(past tense pack) the boxes and furniture into a large truck. We all drove for _____(plural hour). Finally, we got to the new house and had to unpack everything again. I love my new room and soon I will have a new baby brother or sister to play with in the yard.
