

Name _____

There was a time when every student learned to write in cursive, and the ability to spell was critical to the ability to communicate effectively. But today's technology has made both of these skills all but obsolete.

1. Is technology making us smarter and more skillful? Why or why not?

2. Name three credible sources that you might check to find evidence to support your belief.

A. _____

B. _____

C. _____

3. Check those sources and write one evidence-based claim to support your belief below:
