No one is quite sure what yawning is, or why we do it, but there are many theories out there. Take half an hour to research different theories about why we yawn.

1. List at least three different theories about why we yawn.

2. Which theory do you believe is the most accurate? Why?

3. List three indisputable facts that might suggest that this theory is true.

A. \_\_\_\_\_

B. \_\_\_\_\_

C. \_\_\_\_\_

4. On a separate sheet of paper, write a 200-word essay entitled, "Why We Yawn." Use all the facts you have discovered.
